ATTORNEY'S FEES AFFIDAVIT

COMES NOW Turkessa B. Rollins, Counsel for Plaintiff, who after being sworn according to law, states as follows:

1. My name is Turkessa B. Rollins, Virginia Bar No. 47346, of the law firm of Fullerton & Knowles, P.C., 12642 Chapel Road, Clifton, Virginia 20124, who has been retained by the Plaintiff herein, Oldcastle APG Northeast, Inc. t/a Betco Supreme, with respect to the above-styled litigation.

2. We have entered into a Retainer Agreement with the Plaintiff whereby we have agreed to represent said Plaintiff and to proceed with the above-styled litigation to enforce Plaintiff's claim against the Defendants on an hourly basis. The hourly rate of \$300.00 is consistent with attorney's rates in the Northern Virginia area.

3. As of the date of entry of judgment herein, our records indicate that we have expended approximately 66.1 hours at the rate of \$300.00 per hour, for a total of \$19,830.00, including review of papers and materials furnished by Oldcastle APG Northeast, Inc. t/a Betco Supreme, preparation of affidavits, preparation of Complaint and other supporting documents for filing this matter with the Clerk of this Court.

4. Based upon our law firm's experience, as well as my own personal experience in civil matters and with respect to our experience with our client and the post-judgment communications and/or contacts with the Defendants, if any, we have formed the conclusion that post-judgment efforts to enforce the judgment entered herein will require, among other efforts, institution of Garnishments, Interrogatory proceedings and/or Writs of Fieri Facias and sale. I estimate that our firm and the undersigned personally shall expend approximately 50 additional hours in pursuit of said post-judgment enforcement efforts at the rate of \$300.00 per hour (\$15,000.00) bringing the total fees expended to \$34,830.00.

5. The credit application submitted by Defendant to Plaintiff, a copy of which is attached to the Amended Complaint filed herein, provides for Defendant's agreement to pay attorney's fees in the event that the Plaintiff is required to retain counsel to enforce its claims for non-payment. It is the opinion of the undersigned that attorney's fees in the amount of \$34,830.00 is reasonable under the circumstances.

FURTHER YOUR AFFLIANT SAYETH NOT.

  
Turkessa B. Rollins, Esq.
